

Executive Proclamation

State of South Dakota

Office of the Governor

Whereas, National Chiropractic Health Month is a nationwide campaign held each October, and this year's activities will focus on how chiropractic care can help patients feel their best every day, regardless of age, occupation, or fitness level; and,

Whereas, Doctors of chiropractic are experts in the treatment of neuromusculoskeletal problems and their natural approach can eliminate or reduce the need for drugs and surgery in some cases; and,

Whereas, Combining chiropractic manipulative treatment with medical care provides significant improvement in lessening pain and enhancing solid readiness; and,

Whereas, This year's theme - "Discover Chiropractic: Find Your Game" - focuses on how everyone can take steps toward optimal health, wellness, and functioning; and,

Whereas, Each patient is unique, and care plans should be tailored to focus on what is the safest, most effective treatment for the individual, therefore, chiropractic physicians stand ready during the October 2015 National Chiropractic Health Month to address this epidemic and help create a pain free nation:

Now, Therefore, I, Dennis Daugaard, Governor of the state of South Dakota, do hereby proclaim October 2015, as

CHIROPRACTIC HEALTH MONTH

in South Dakota.

In Witness Whereof, I have hereunto set my hand and caused to be affixed the Great Seal of the state of South Dakota, in Pierre, the Capital City, this Seventeenth Day of September in the Year of Our Lord, Two Thousand and Fifteen.

Dennis Daugaard
Dennis Daugaard, Governor
